

LAB SAFETY RULES

Please review and follow these safety guidelines at all times.
Failure to comply may result in disciplinary action or injury.

 Wear Eye Protection	Always wear appropriate PPE including goggles or face shields.
 Wear Gloves	Use protective gloves when handling chemicals or biological materials.
 Wear Lab Coat	Lab coats must be worn at all times in lab areas.
 No Eating or Drinking	Eating, drinking, or applying cosmetics is strictly prohibited.
 Emergency Exit	Know your nearest emergency exit and evacuation route.
 Fire Extinguisher	Report any fire hazard. Use fire equipment only if trained.
 Chemical Spill Hazard	Immediately report all spills and follow proper cleanup procedure.
	Emergency numbers must be visible and up to date.

Product Listing Info – Lab Safety Rules Poster

✓ Product Description

This professionally designed lab safety rules poster is aligned with ISO and ANSI formatting. It outlines essential PPE and safety behaviors with clear icons and plain-language instructions. Suitable for classrooms, labs, workshops, and industrial environments.
